LA CAVALE

## OUR WINES

42 hectares of vineyards certified as organic since 2020

**The Petite Cavale range** is a product of vinification in stainless steel vats. These are fresh, greedy and fruity wines, ideal for aperitifs and everyday dishes.

**The La Cavale range** is more complex and structured due to its vinification, notably using oak vats for the red and acacia vats for the white.

**BLANC is a micro-vintage**, which concretizes the organic certification. This wine is of an unbelievable finesse due to its vinification partly in acacia casks. The quintessence of what our white soil is capable of producing.

## OUR OLIVE OILS

The green gold of our 700 olive trees is available in three flavours

- Éléonore: ripe and fruity with a subtle taste
- Laurel: fruity as of old with a mature taste
- Ambre: fruity green with an intense taste

## OUR HONEY

The nectar of our 15 hives
